

Wall Hung Units:

Wall hung units can only cascade with units of the same model.

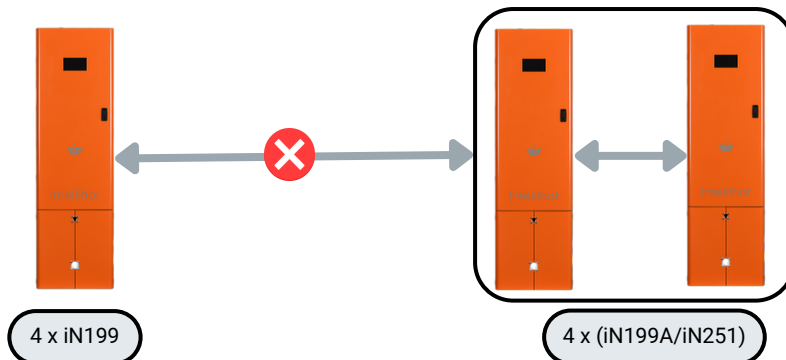

A max of 10 wall hung units can be cascaded together

Single Hex Neuron Units:

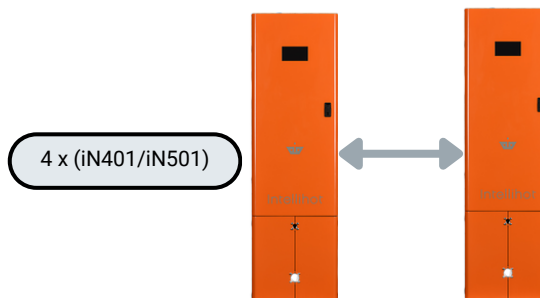

Since the iN199 is not ASME rated and the iN199A and the iN251 are ASME rated, the iN199 cannot cascade with the iN199A or the iN251. The iN199A and iN251 can be cascaded together up to 4 total units.

Up to 4 iN199's can be cascaded together.

Double Hex Neuron Units:

Both Double Hex Neuron units can be cascaded together, up to 4 total units.

Floor Mount Units:

The iQ751, iQ1001, and iQ1501 can all be cascaded together, up to 4 units.

Double Stack Floor Mount Units:

The double stack floor mount units can be cascaded up to 6 million BTU.

3 x iQ2001

2 x iQ3001

1 x iQ2001 + 1 x iQ3001
